FATAL ACCIDENT.

John Windom Terribly Mangled by Mower.

NEWS-HERALD Special. TAYLORSVILLE, OHIO., July 26. This entire community was very much shocked by news of the sudden death of Rev. J. M. Windom last Friday morn ing. He had hired a mower to cut his grass, using his own team for the purpose. His horses were not very trusty and frequently refused to pull. On Thursday afternoon he and his son William were cutting grass in the field be-low his house, and William was on the machine driving when the off-horse refused to pull and Mr. Windom took hold of it by the bridle to lead it and after getting the horses started he stepped to the right, out of the way of the sickle, as he thought, but the horses turned to the right suddenly, and before he could get out of the way the sickle ran into his legs and cut him down. One leg was cut almost entirely off and the other more than half off. He fell back over the sickle and the machine was stopped. He told his son to unhitch the horses as he would need them no more. Men working near by very soon came to his help and before long nearly the whole town was on the scene, ready to give any needed assistance. He uttered no cry of pain, but seemed to have had an immediate premorition of death. He was carried to the house and Doctors Chaney and DeHass, of Pricetown, were summoned, but the distance being so great, he was very much weakened by the loss of blood before their arrival, and they were unable to give any relief. He died about four o'clock the next morning.

Mr. Windom was a good man, a preach er in the U. B. Church of considerable ability, and had been in the service a number of years, being on this Hillsboro Newport, Ky., visited at the residence of Mr. circuit for three years, till last fall's conference, when he was sent to another field and Rev. J. W. Cummings took his place. He was a loving tender husband, tablishment in the building opposite the a kind father, an obliging neighbor, a He leaves to his wife and children the record of a life well spent, a character of the school building repainted and the uprightly sustained, which is no slight ceilings white-washed, which will add much legacy to leave to them and to the months. legacy to leave to them and to the world, for it is the most eloquent lesson of virtue and the severest reproof of vice, while it continues an enduring source of the best kind of riches.

Rev. J. M. Windom was born in Virginia, March 8th, 1839, and died July 23d, 1886, aged forty-seven years, three months and fifteen days. He came to Ohio in 1864. He leaves a wife and seven children to mourn his loss. Rev. J. W. Cummings preached his funeral sermon in a beautiful grove at Mowrystown to an estimated audience of a thousand people. His subject was "Life and Death," suggested by Job, 14th chapter and 14th verse, after which his remains were buried in the Mowrystown cemetery. His family have the deep sympathy of the entire community.

Last night a couple of ladies took it into their heads to have a little sport, and accordingly one of them dressed herself in male attire for the occasion, while her associate promenaded the street with her, introducing her to her friends as her brother. They called upon one old gentleman at his home, who by the way was their nearest neighbor, and so complete was the diagnise that the old gentleman failed to detect it. We would suggest that the ladies be very careful in the future how they conduct themselves, as the law imposes a face of \$25 for ladies dressing themselves in male attire, and promenading the streets in that condition.

Hello, what is the matter with the Hillsboro Gazette, that it froths at the nose and ganshes its teeth so ferocious-like at the Greenfield correspondent of the News-Henand? Did he give the facts too correctly in regard to their convention held here a short time since, that convention near here a short time since, that causes it to cloud up so black? Remember the Greenfield man did not say the delegates met at a certain business room on East Main street, and now the Gazette in its raving gives the whole thing dead away.
